

GLADE RUN LAKE CONSERVANCY

2025

# Nature Series

## KID'S EDITION

June 17<sup>th</sup> 2:00-3:30pm

### Creating a Nature Journal

Hey kiddos! This program will guide you in creating a nature journal. We will have a short discussion on how to get started. Then we will explore the park using our senses of sight, hearing, smell, and touch while we document our findings using various techniques.

This is a free program. Supplies will be provided courtesy of our sponsor, Armstrong Antlers & Anglers.

Perfect for ages 4-12 years.

All children must be accompanied by a parent or guardian.
